URSO?**

A vibrant night festival scene with a large crowd of people. In the center, a man with a beard and glowing blue eyes is sitting on someone's shoulder, holding a glowing yellow cup with a long, thin, glowing streamer. The crowd is illuminated with blue and purple lights, and there are glowing particles and light trails throughout the scene. The text 'SÃO CARLOS' is overlaid on the right side in a stylized, multi-colored font.
